About Us

Andrew Doyle Safety Consultants Limited is a market leader in the consultancy and training world of Health, Safety, Fire and Risk Management.

The company was formed in 2005 by Andrew Doyle CMIOSH, MIIRSM, Dip.RSA, a Chartered Health and Safety Consultant, and Risk Management Specialist.

Our consultancy and training solutions offer unique benefits to our clients by protecting human life and safeguarding commercial interests.

Based in Baldoyle Industrial Estate, North Dublin, the company has gained a reputation for its unique business approach, placing quality, professionalism and value at previously unattained levels.

Our consultants are all qualified to Degree level as a minimum (Higher National Diploma / Ordinary Degree), in Occupational Health and Safety, or Fire Safety, are professional members of the Institution of Occupational Safety and Health (IOSH) and / or Institution of Fire Engineers (IFE).

Our Trainers hold accredited qualifications for the courses they teach.

Both Consultants and Trainers have relevant practical industry experience and are protected by the ADSC Professional Indemnity Insurance Policy.

We have over 700 clients, ranging from small local businesses to some of the largest companies in the world.

We also offer a bespoke worldwide / international consultancy and training service.

We offer unrivalled professionalism, value and quality to small, medium and large enterprises across Ireland, and overseas.
